

SECTION: Water

18-03

SUBJECT: Water Co-ops, Hamlets, Farm Residences, Waterlines & Truck Fills

Potable Water Rates:

The SAB shall establish potable water rates on a volume basis in the SAB Schedule of Fees and adjust them from time to time as required.

New Installation Hook-Up:

The SAB shall establish rates charged for hook up to SA systems (up to and including curb stop and meter) in the SAB Schedule of Fees and adjust them from time to time as required.

The fee is to be PAID UP-FRONT, prior to hook-up.

Billing period and Penalty:

All accounts will be charged and billed monthly.

Penalties established by the SAB and published in the Schedule of Fees will be charged after a period of 45 days from the billing date which is the last day of the month.

Shut-Off and Reconnection of Service:

Shut off notice will be given when an account is 90 days overdue.

Accounts that are still delinquent will be shut off 15 days following the overdue notice date.

Reconnection will not take place until satisfactory arrangements have been made with the Special Areas Board.

A disconnect and reconnect fee will be charged in accordance with the SA Schedule of fees.

Minimum charges and Rates over Maximum

Minimum Usage amounts and rates charged as well as maximum usage amounts and rates charged shall be established by the SAB and published in the Schedule of Fees and adjusted from time to time as required.

18-03

Farm Tap Offs

Minimum and maximum usage amounts and rates do not apply to non-hamlet farm tap-offs. (Tap Offs for farms from hamlet water systems are subject to the same policies as the hamlet systems.)

Administration costs are included in all rates.

Approved by Special Areas Board
