EQUIPMENT OPERATOR II OPPORTUNITY COMPETITION NO. 30054

The Special Areas Board invites applications for this permanent full-time position as District Maintenance Operator in Altario, Alberta.

Position duties will involve the operation of road equipment in performing such tasks as road maintenance, grading, road construction, road oiling, and snow plowing. In addition, the operator will be required to keep records, service and make minor repairs to equipment, as well as perform duties such as erecting snow fence, removing rock from roadway, erecting signs, weed cutting, waste site maintenance and other duties as required.

Qualifications—Experience in operating equipment related to road construction and maintenance; completion of grader twelve or an equivalent combination of education and experience. Valid class 3 driver's license is required.

This is a designated safety sensitive position and mandatory drug testing maybe conducted on all newly hired employees.

SALARY : \$52,404—\$57,957 per annum

CLOSING DATE: March 3, 2012

We thank all applicants; however only those invited for an interview will be personally contacted.
