# Calling all entrepreneurs...

Special Areas wants your business. Our community is growing and full of opportunities. We're looking for pioneers, like you to prospect over 5 million acres and find the opportunity that is right for you. We promise, you'll find more than you would expect. Our rural municipality works regionally to provide entrepreneurs with resources, opportunities and business services.

## Why do business in the Special Areas?

- It makes money sense – land and resources are available and economical
- We're here to help – our economic development offices are here to provide you with FREE support services
- Rural Wireless High-speed Internet – connect anywhere, anytime

Don't forget "rural is back", many people are realizing that business can be done anywhere. So with the creation of our highway to the future, rural internet, we have opened up doors for many entrepreneurs. Isn't it your turn to enjoy the benefits of rural living while connecting globally?
