DISCOVER THE PREHISTORIC – THE CAROLSIDE MOSASAUR:

Embark on a journey back in time near the Carolside Campground with a visit to the magnificent Carolside Mosasaur. Nestled near the reservoir, a lifelike sculpture awaits, offering a glimpse into the prehistoric waters that once covered this land. The discovery of the Mosasaur here marks Carolside not just as an angler's paradise but also as a site of historical wonder, making it a must-see for both nature enthusiasts and history buffs.
