WELLSITE/PIPELINE LOCATION APPLICATION AND CONSENT TO DRILL, OPERATE AND MAINTAIN 330 FEET (100 METERS) OF A MUNICIPAL ROAD

APPLICANT:

_____

(Name of Company)

_____

(Address)

Approval is hereby requested to establish a wellsite/pipeline, hereafter to be known as

_____

at a distance of_____of the right-of-way boundary of

_____

(Describe roadway/highway)

The exact location of such site being as follows:_____

(legal land description, etc.)

and as shown on the plan attached hereto.

In consideration of the granting of approval, the Applicant hereby agrees to abide by and comply with the following terms and conditions:

1. The Applicant shall at all times conduct and control his operations in such manner as not to create a hazard to the traveling public and shall take all reasonable precautions to protect and safeguard the lives and property of the traveling public and adjacent property owners.
2. The Applicant shall save harmless and indemnify the Department from any claim for damages and losses attributable to the Applicant's operations.
3. The Applicant expressly waives any right to claim damages or compensation for such portions of the Applicant's property which at any time in the future may be required for widening of the right-of-way for highway improvement purposes and for any injurious affection claims as a result of such land acquisition.

The applicant's responsibility in this respect will be limited to a dimension not exceeding One Hundred (100) meters from the limits of the highway right-of-way in existence at the time approval is granted.

                                     _____
                                     TITLE

                          _____
                          CONSENT

Approval as requested in the foregoing Application subject to the terms and conditions contained therein, is hereby granted. The obligation of operation, use and/or maintenance of the facilities at the site in compliance with the terms and conditions shall remain in force as long as the facilities exist.

It is understood that this consent covers only the Applicant's operations on his property and does not relieve the Applicant from responsibility of obtaining authority for carrying out any work within the limit of the highway right-of-way.
