Development Officer **Date of Decision**

IMPORTANT NOTE

1. The issuance of a Development Permit in accordance with the Notice of Decision is subject to the condition that **it does not become effective until 21 days after the date of issue of the Notice of Decision**. Any work completed by the applicant during this 21 day period is done entirely at the risk of the applicant. This does not apply to permits issued for permitted uses, where no appeal is available, and the permit comes into effect on the day that the decision is communicated to the applicant.
2. You may appeal this decision to the Subdivision and Development Appeal Board in accordance with Part IV, Section 11 of this Bylaw, with the exception of a permit issued for a permitted use in a land use district, where an appeal is not available. Such an appeal shall be made in writing and shall be delivered personally or mailed so as to reach the Secretary of the Subdivision and Development Appeal Board at the Special Areas Administration Office in Hanna, NO LATER THAN 21 DAYS FOLLOWING THE DATE OF ISSUE OF THIS NOTICE. The Notice of Appeal shall contain a Statement of the grounds of the appeal.
3. Should the decision be appealed within 21 days after the Notice of Decision has been issued, this permit shall not become effective until the Subdivision and Development Appeal Board has determined the appeal and the permit may be modified or nullified thereby.
4. A permit issued in accordance with the Notice of Decision is valid for a period of twelve (12) months from the date of issue. If at the expiry of this period, the development has not been commenced, this permit shall be null and void.
5. **Every application for a permit shall be accompanied by Site Plans showing the following information:**
 - (1) Engineered drawings or plans of the development including:
 - a. The legal description of the property and dimensions of the site,
 - b. The dimensions and relationship to the parcel boundaries of all existing and proposed buildings and shelterbelts, and where applicable,
 - c. The location of all existing and proposed wells, septic tanks, disposal fields, culverts and crossings.
 - (2) On applications for development in Hamlets:
 - a. The front, rear and side yards,
 - b. Off-street parking and loading facilities,
 - c. Access locations to and from the site, and
 - d. Proposed exterior finishing material for all buildings.
 - (3) Documentation from AER identifying the presence or absence of abandoned wells.
See AER's Abandoned Well Viewer at <http://portal.aer.ca/portal/site/srp> or call 1-855-297-8311
6. Failure to complete this form in full, and to supply the required information and plans may mean this application will not be considered and may cause delays in the processing of the application.
7. To obtain permits from Palliser Regional Municipal Services visit www.palliserservices.ca or call Safety Codes Services at 1-800-407-8361.
8. Should this application be for commercial wind, solar development or other similar developments, an additional application summary, available through the Development Officer and at their discretion, will be required to accompany this application.
